

...at Bright Beginnings
March 18- April 6
(half or full day available)

At our Spring Camp at Bright Beginnings, in the afternoon, your child will build awesome robots, learn to program them to move, learn engineering through Super Structures and participate in fun spots, and learn English in the mornings.

Students will:

- Use Lego pieces to build cool robots
- Use K'Nex to learn about and build bridges
- Sharpen math skills at their grade level
- Discover their inner strength & athletic abilities through various sports activities

Schedule

Morning Schedule:

9:00-12:00 (ESL)

12:00 – 12:30 Lunch

Afternoon Schedule:

12:30-2:00 Engineering/Robotics

2:00-4:00 Amazing Athletes
